**DETAILED ACTION*****Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claim 8 is rejected under 35 U.S.C. 102(b) as being clearly anticipated by Sander (USP 6,522,192). Sander discloses a capacitive mode of operation at time (T1) and an inductive mode of operation time (T2). It is well known that the energy storage phase precedes the energy transfer phase. See abstract.

Art Unit: 2838

*Allowable Subject Matter*

3. Claims 1-7 and 9 are allowed.

4. The following is a statement of reasons for the indication of allowable subject matter:

None of the prior art alone or in combination discloses a first comparator, wherein the first comparator is configured to compare  $V_{in}$  to a reference voltage  $V_{ref}$  and to select the capacitive mode if  $V_{in} > V_{ref}$  and to select the inductive, mode if  $V_{in} < V_{ref}$ .

*Conclusion*

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a).

Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
